Chapter Director's Thoughts

GWRRA Chapter NeNe Friends:

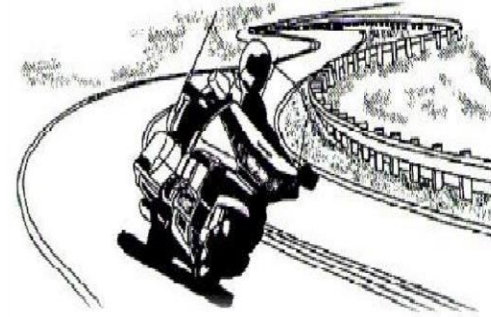

Another dusting of snow again last night and the furnace just kicked in again – will this winter weather never end? We all know spring is coming and has given us a couple of teaser days. Gary has ridden a few miles on those days. Cindi has NoT! But with Easter and warmer days on the way we are looking forward to the riding season! Shirley Hoffart and Cindi have been working on the Nite Out Ride Schedule and plan to have it posted soon. Please watch your emails or let one of them know if you want to get you a hard copy.

We had a great turn out at our get together last month at the Tiger Tavern in Osmond! It happened to be the owner, Bob's, birthday so he treated 26 Roadrunners to cheese cake for dessert and 2- \$10.00 gift certificates for door prizes. Our hosts were Dennis and Sharon Schultze and Roger and Joyce Tacey. They also added a \$20 gift certificate in the final drawing for a door prize. We thank them for a great job. Everyone had a good time and the food was delicious!! The March get-together will be back at the Tiger Tavern with Marv Blunck and Rod Cook and Gale Retzlaff hosting. Hope to see everyone there!

Have a Happy and Blessed Easter!

From Other Writers

All,

Ridding weather is getting closer, we can tell because a lot of the snow has melted. We are starting to feel better. Still frozen but better. Some times we feel Nebraska has two seasons, winter and August. Speaking of warming up we just had a great Cabin Fever Weekend at Albion Ne. To be known as CFW. At CFW we had a contest for the best dressed couple at a Luau. Chuck & Linda Steffen took the honors. They did look good. A big thanks to our secret judges, Bruce & Ruth Vogt. John & Cheryl Papson brought the decorations and they were perfect. They also brought the pork cake and the piñata which was great fun. We had a catered in evening meal and the District payed For the noon meal most of us went to a place called the J. Some of us went nuts and had mountain oysters. A great big thank you to every body who attended, we all had fun.

Don't forget about our NE/SD rally to be held at Valentine Nebraska July 26th thru. 28th. Valentine's Niobrara Lodge will be the host Hotel. Call 402 376 3000 for reservations. Like CFW it will be free will donation. On line sign up will be available soon. A color flyer will out pretty quick.

Back on the ranch it seems like we are living in a snow globe. It snows all the time. Right now wile

writing this it is 32 degrees and warmer yesterday. We are starting into the muddy months. On March 11th we go back to daylight saving time. A small editorial right here, why don't we stop this nonsense of changing the clock twice a year to save on whale oil? As we get back to the riding season, be careful out there. From our farm to yours, Have a Happy and Blessed Easter!!!

Hello Gold Wingers

My name is Mikel Murray from IN G-2.

Belinda and I are in charge of the United Sidecar Association 40th National Rally 2018.

The reason I am writing is, I know that some of your members may be thinking about adding a third wheel to extend their riding years. There is always a trike, But a sidecar is another option to get that third wheel. It makes the bike stable and it can haul your kids, or grandkids or your pets. Plus, they have lots of room for storage.

I would like to invite everyone to come to the rally. Put us on your ride schedule or sent this to all your members or maybe include it in your newsletter. There will be all kinds of bike and sidecar combinations to view and compare. If any of your members are thinking about adding a sidecar.

The rally is in Rising Sun, IN right along the Ohio River.

Back on the Farm, Lance has a new copilot called a electronic logging device in his truck. After 2 months of using this thing it is sort of working. After many hours of phone time Lance is now a Terrible driver. All he is doing is racing this thing that is telling how much driving time he has left. The Federal government thinks this thing makes truckers safer. This is just a warning to all bikers to watch out for trucks because they are racing to get to where they are going!! Everyday of this cold nasty winter gets us one day closer to ridding season. We can't wait!!
